In True “Down the Line” backroad tour style

THE 28TH ANNUAL
PARADE OF LIGHTS WILL GO ON!!

THE TWIST...

THE PARADE WILL BE “FROZEN”

Pack your family/loved ones/friends, into the car/tractor/side x side/snow machine or whichever way you choose with your hot chocolate and cookies and enjoy a backroad tour with our tranquil stationary Christmas on the Farm themed “Parade of Lights”. You can drive the circle route from Watson Road along Pioneer road where the floats will be “FROZEN” and lit up under the dark northern sky.

Santa will be there to wave to the children and ensure that they are being good in time for Christmas.

In order to prepare and provide proper details we ask if you are planning on entering a float for the Parade **please contact Trisha:**
