Successful Ontario Trillium Grant Results!

We are happy to officially announce that we were successful in our 2018-2019 Trillium "Capital" Grant Application.

We have secured **\$28,500.00**, approximately 75% of the estimated cost to improve infrastructure at the Sylvan Valley Community Hall.

Updates include; new metal for the roof, siding, soffit, fascia & wheelchair accessible ramp.

CHRONIC PAIN SELF-MANAGEMENT WORKSHOP

Starting **Monday February 11th - March 26th, 2010 from 1:30 - 4:30pm** for 6 weeks.

A self-management program for people living with chronic pain. Would you like to know how to better manage your own health? Do you have chronic pain? Self-management for people with chronic pain can help you learn to be healthier.

This workshop is offered **FREE** of charge to all community residents, is taught by two trained leaders and offers a variety of skills and resources to help cope with chronic pain. This will also give residents an opportunity to network with other people suffering from chronic pain.

Anyone with chronic pain is welcome, and feel free to bring a family member or friend. This program has been successful in helping people with chronic pain.

This is a service brought you to by The North Channel Nurse Practitioner-Led Clinic
The sessions will be held in the **The North Channel Nurse Practitioner-Led Clinic Echo Bay Site.**

Please call to register and get more information: Tanya Allen 705-842-9898 ext. 202
