

TOWNSHIP OF MACDONALD, MEREDITH & ABERDEEN ADDITIONAL

HAPPY NEW YEAR TO EVERYONE!

The Council & Staff would like to wish everyone a Happy New Year and hope for a healthy, happy and prosperous 2019 for all.

SNOW REMOVAL REMINDERS

Reminder when clearing the snow from your driveway do not transfer it across municipal roads. It can cause all kinds of problems as set out:

- clumps of snow being left on the roads to freeze which could cause damage to our snow removal equipment or other vehicles
- snow not being pushed far enough causing problems for our snow removal equipment or causing narrowing of the road,
- drainage problems in the spring with possible flooding when it melts

We thank you for your cooperation. This will make snow removal much easier and safer for everyone.

Cemetery Board

Our Cemetery Board currently has an opening for a new member. If you are interested in this position please submit a letter of interest to the Municipal Office by January 31st at 4:30p.m or e-mail to twpmacd@onlink.net

WATER METER READING

The water meters will be read on Thursday January 31st. Please ensure there is a clear path to your remote in order for staff to be able to read your meter safely. If they are unable to read your meter due to

DOG TAGS

Dog Tags are due March 31, 2019. For those who do not get their dog tag by this date the fee will double. Dog tags for dogs that have been spayed or neutered are still \$5.00 and for those who are not \$15.00. Kennel Fee is \$50.00 and \$2.00 for each dog in the kennel. These prices double as of April 1. The fines under By-law #15-1892 have been increased as well and we encourage people to be conscientious pet owners and follow the rules. Do not let your dogs run at large, you should always be in care and control of them. This is a common courtesy to your neighbors and the neighborhood you live in.

Landfill Update January 2019:

As a result of the Ontario Tire Stewardship winding up the Used Tires Program, we will no longer be accepting tires at our municipal land fill after January 17, 2019. As an alternative, under the new Resource Productivity and Recovery Authority we have provided a list of collector's in Sault Ste. Marie that will take up to 10 used tires per day.
