Community Notice

- Council has decided to keep the Municipality Halls closed for the time being and will be reassessing monthly until the decision is made to reopen them for public use.
- We were hopeful to have the Music In The Park and Family Day Festival this year. However due to the gathering restrictions in place over Ontario we are unable to host these events. Community events are for the entirety of the community and as we do not want to leave any community members out due to these restrictions these events are cancelled.
- Farmers Fall 5K Fun Run IS A GO for September 26th. Online registration will be available on August 12th at our website www.echobay.ca

#CARLONTHEMOVE

Community Fun

Carl will be hidden within the community on municipal property or at community businesses. If you find Carl take his picture, and post him on Facebook with #CARLONTHEMOVE, and relocate and hide him for the next person to find. Lets see how many places Carl can travel to.

Remember Carl does not like private property so keep him on municipal property or at community businesses.
