From 1-3pm

If required due to Covid-19 restrictions
15 minute grouping will be scheduled

The Sportsplex is scheduled to open Monday, November 1st. Currently we are working on the implementation of the policy for proof of vaccination to enter the Sportsplex for everyone 12 years of age and older unless proof of exemption applies.

We are very hopeful that this year will allow the opportunity for public skating as well as possibly curling!!

A good time was had by all that attended this year's Farmers Fall Fun Run on Sunday, September 26th. We added a little more to the event with the Community Market as well as the Echo Bay Fire Department & the OPP Auxiliary going into the dunk tank to raise money for the Echo Bay United Church and Echo Bay and Area Food Bank. To say that folks were up to the challenge of dunking them would be an understatement as they raised \$367!! We are looking forward to building this event and hope to see some new faces next year!

On Saturday, September 25th the crew from A&W were at the Loonie filming for a commercial to promote their \$1 coffee. Many community members attended and had a chat with Allen about their coffee. It will be exciting to see the commercial when it airs and hopefully recognize a few local faces!!
