FEBRUARY B 2022

## NEXT PHASE OF THE REOPENING OF ONTARIO PLAN

Ontario moved to the next phase of Reopening Ontario on February 17, 2022. Social gathering limits were increased to 50 people indoors and 100 people outdoors. Organized event limits are 50 people indoors with no limit outdoors. Capacity limits in the indoor public settings where proof of vaccination is required includes restaurants, bars and other food or drink establishments without dance facilities, recreational fitness facilities including gyms, cinemas, casinos, bingo halls etc., 50% capacity at sports arena and concert venues.

### **EFFECTIVE MARCH 1, 2022**

Ontario intends to take additional steps to ease public health measures if public health and health system indicators continue to improve. This includes lifting capacity limits in all remaining indoor public settings. Ontario will also lift proof of vaccination requirements for all settings. Businesses and other settings may choose to continue to require proof of vaccination.

At this time Council has made the decision to move forward with the opening of the Echo Bay Community Hall, Sylvan Valley Community Hall and the Share Shed starting March 1, 2022.

Proof of Vaccination will not be required to enter these facilities and it will no longer be required to enter the Sportsplex. Masking requirements will remain in place at this time with a specific timeline to lift this measure by the Ontario Government which will be communicated at a later date.
