

EMERGENCY NOTICE FOR WATER CONSERVATION

Effective June 15, 2022

Do's:

- Use water for cooking or medical reasons
- Laundry once per week
- Take a quicker shower and use less water for bathing
- Only flush when necessary. If it's yellow, let it mellow; if it's brown, flush it down

Don'ts:

- Wash vehicles
- Water grass & gardens; let nature do it
- Fill swimming pools
- Run water waiting for it to get cold; use ice cubes
- Run water waiting for it to get hot; warm it up in the microwave or on the stove.

This notice is in place until further notice and updates will be provided as they become available, please follow the website for further updates
