VISIT VOTERLOOKUP.CA

Please visit voterlookup.ca to ensure that you are on the Voters List for the upcoming Municipal Election on Monday October 24, 2022.

If you find that you are not on the List of Electors you can have your name added. Please ensure that you have either the address of where you are living or the Assessment Roll # of your property. You will also need to answer questions regarding school board support in order to determine which School Board Trustee you will be voting for. It is a relatively simple process but for some reason if you require assistance or you do not have access to a computer you can contact the municipal office at 705-248-2441.
