COME AND ENJOY A SCENIC 5KM RUN THROUGH OUR BEAUTIFUL COMMUNITY!

CURLING

If you would be interested in curling this upcoming season please contact Trisha today!!

All skill levels welcome!

If we can generate enough interest we will set aside some ice time to have some games and possibly a mini bonspiel.

Interested in Learning to play Pickleball???

The group from Soo Pickleball will come down to our court here in Echo Bay and do a Learn to Pickleball session with those interested. The paddles and balls will be provided for the learning session, so you will not need to invest any money in the equipment until you know if it is for you!!!

We are looking for a few more people who are interested to learn the game of Pickleball to host this session.

Contact Trisha today if you are interested!!

tdaynard@ontera.net or 705-297-4024

Hurley Park Playground

We very excited as plans are underway with the new playground equipment being added to Hurley Park. We were successful in a grant application through Ontario Trillium Foundation- Resilient Communities Fund to upgrade the playground equipment at Hurley Park. The RFP has been completed and we have ordered the new playground equipment and it is scheduled to be installed in the Spring!! Among the new equipment to look forward to is a climber and slides, gravity rail, and a saucer swing.

We would like to host another Community Market in September (date to be determined watch for it on Facebook and in the September newsletter). If you have something to sell and are interested in a spot in the market please contact Trisha today!! There is **NO COST** for vendors just come and set up you stuff for the community to checkout!!

A great **BIG** thank you to Mike Siemers for organizing a community volunteer clean-up crew and also to those who came out to fix our soccer fields after they were vandalized.

Amazing community we live in!!
