# Macdonald, Meredith & Aberdeen Additional Strategic Plan

## What do you see for the future of the Township?

We are currently developing a new Strategic Plan!

A Strategic Plan includes a mission statement, vision statement, and a set of priorities for the community. These priorities will guide Council and Staff decision making over the next 5 years.

The Township has hired J. L. Richards to work with Council and staff, hear from the public, and develop a strategic plan and the project is currently in phase 2!

It's important that these priorities reflect the community. We'd like to hear your thoughts for the future of the community!

**Please visit our website at [www.echobay.ca](http://www.echobay.ca) to
