Maple-Roasted Pears with Bourbon Cream Sauce

Ingredients:

8 ripe pears, halved and cored
1/4 cup apple cider
3 tbsp maple syrup
4 tsp melted butter
1 tbsp lemon juice
1 cup 5% whipping cream
3/4 cup homogenized milk
1/3 cup firmly packed brown sugar
4 egg yolks
pinch salt
2 tbsp bourbon
1 tsp vanilla extract

Directions:

Step 1

Preheat oven to 400°F (200°C) to roast pears. In bowl, toss pears with apple cider, maple syrup, melted butter and lemon juice. Place in baking dish. Roast 25 to 30 min. until pears are tender and caramelized.

Step 2

Meanwhile, in a large saucepan, heat cream, milk and sugar over medium heat, stirring occasionally, for 5 min. or until small bubbles start to form around the sides of the pan. Meanwhile, in a bowl, whisk egg yolks and salt. Gradually whisk half the hot cream mixture into yolks. Stir into mixture in saucepan. Cook on medium-low heat, stirring constantly with a wooden spoon or spatula, 10 to 12 min., or until sauce thickens and coats the back of a spoon. Whisk in bourbon and vanilla.

Step 3

Immediately strain sauce through a sieve into a bowl. Set bowl in an ice water bath. Stir occasionally until sauce is completely cool. Press plastic wrap onto surface of cream sauce to prevent "skin" from forming.

Step 4

Divide pear halves evenly among 8 plates and drizzle with pan juices and cream sauce.

Meals on Wheels Ontario

Access to well-balanced and affordable meals is imperative to the independence and sustenance of vulnerable clients including isolated seniors and individuals with disabilities. Research shows that healthy eating provides the essential energy and nutrients for general welfare and maintenance of health, functional autonomy, and risk reduction of chronic diseases in older people.

The benefits of Meals on Wheels are physical, emotional, and psychological, and this community program is more important than ever. Volunteers may be the only friendly face a client sees all day, and so they also perform important safety checks by flagging changes in their clients' health or wellbeing. Meals on Wheels also helps people keep living independently in their own homes and reduces caregiver stress.

Meals on Wheels Ontario: Quick Facts

- Over 3.3 million meals are delivered each year.
- 68,000 Ontarians receive Meals on Wheels.
- 86% of Meals on Wheels recipients are over the age of 65 years.
- Meals on Wheels are delivered in 181 communities across Ontario.
- 125 not-for-profits receive government funding to deliver Meals on Wheels.
- Government funding only covers a portion of the cost – the difference is made up by donations, and client fees which are kept as low as possible.
