Winter Olympics Community Hunt

Crack the Code: Olympic Edition

Get ready to go for gold during the 2026 Winter Olympics!

Families and community members are invited to take part in a fun, self-guided scavenger hunt happening February 6-22, 2026.

Olympic-themed items will be hidden throughout designated areas of the community. Each item includes a letter - collect them all and crack the code by solving the Olympic phrase!

A Hunt List and map showing the designated hunt areas are available at the Municipal Office, or Trisha can email them to you upon request.

Once you've solved the phrase, email your answer to Trisha to be entered into a prize draw.

The prize is a basket filled with snacks and goodies - perfect for families or for the lone Olympic hunter who conquers it all by themselves!
tdaynard@ontera.net

This challenge is free, family-friendly, and self-paced - perfect for enjoying the Olympic spirit at your own speed.
Happy hunting!
