ROAD CLOSURE SCHEDULE

GIP Paving Inc. wishes to advise that a full crossover closure will be in effect on Highway 17, at Pumpkin Point Road Crossover

This full crossover closure is scheduled from ***September 29, 2026***, to ***October 02, 2026***, for *construction works at the Pumpkin Point Road Crossover*.

A detour will be implemented to redirect traffic via the Calabogie Road crossover and Reids Road crossover while the crossover closure is in place.

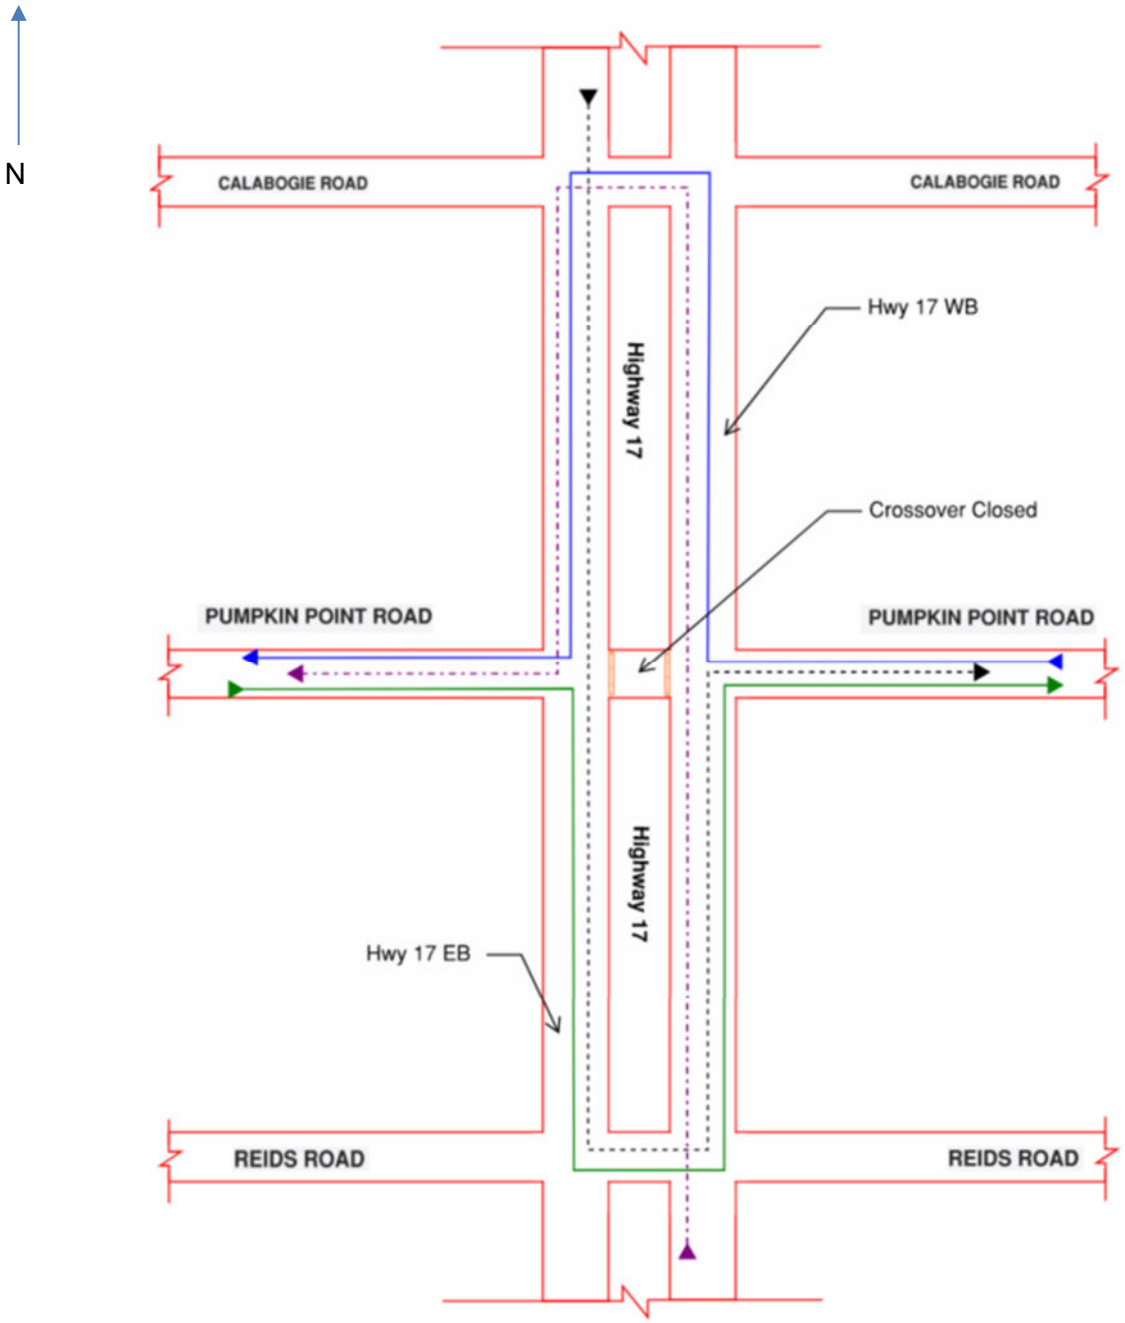
Traffic travelling from **Pumpkin Point Road W** that would normally cross Highway 17 must detour:

1. Travel south on Highway 17.
2. Continue to **Reids Road**.
3. Use the Reids Road intersection to turn around and travel northbound on Highway 17.
4. Return to Pumpkin Point Road and proceed east.

Similarly, traffic travelling from **Pumpkin Point Road E** that would normally cross Highway 17 must:

1. Travel north on Highway 17.
2. Continue to **Calabogie Road**.
3. Use the Calabogie Road intersection to turn around and travel southbound on Highway 17.
4. Return to Pumpkin Point Road and proceed west

Additionally, motorists travelling eastbound on Highway 17 who wish to access Pumpkin Point Road E, and motorists travelling westbound on Highway 17 who wish to access Pumpkin Point Road W, will be required to proceed to the designated turnaround intersections and return in the opposite direction to make a right turn onto Pumpkin Point Road.

Crossover Closure Operations


Closure Type	Start Date	Finish Date	Time	Duration
Full Crossover Closure	*Sept 29, 2026*,	*Oct 02, 2026*,	7.00 AM- 7.00 PM	4 Days
